CAUSE

The defendant was arrested on charges of First Degree Assault, First Degree Possession of Stolen Property, and Attempt to Elude on November 28, 2005. The defendant was arraigned in Spokane County District Court and released on a \$15,000 appearance bond. Spokane Superior Court has 72 hours to file a formal complaint on the current charges. Mr. Powell contacted the U.S. Probation Office to notify the probation officer of the pending charges. He admits to having a significant problem with alcohol. He is agreeable to go into a community corrections center for 180 days. The purpose of this public law placement is to keep the community and the defendant safe pending the resolution of these criminal charges. The defendant will also be placed into an intensive outpatient treatment program until the new charges are resolved. While in the community corrections center, Mr. Powell will also be able to continue with the education programs he has been attending at Spokane Community College. A petition for Court action will be submitted once the police reports are received and there is some direction on the disposition of these criminal charges.

Respectfully submitted,
